

THE ULTIMATE CART FOR CABINET MAKERS

NEW!

Thermoform introduces an innovative cart designed to revolutionize how cabinetry parts are transported in industrial settings.

PARTGLIDE

thermoform.net

BY **THERMOFORM**

FLEXIBILITY

The PartGlide can store a wide range of parts sizes, making it highly versatile.

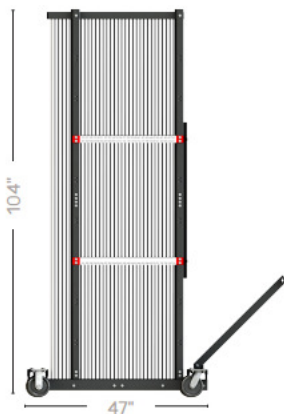

ACCESSIBILITY

Parts are easily accessible from both the front and back, each slot identified with a tag for easy sorting and retrieval.

The PartGlide combines these advantages into a single, efficient unit. Its modular design allows for convenient shipment and easy assembly.

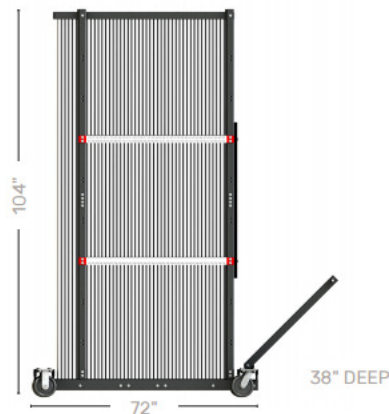

AVAILABLE IN 2 SIZES

THIS CART ASSISTS BOTH SMALL CABINETRY SHOPS AND LARGE CABINET MAKERS IN MOVING PARTS EFFICIENTLY AND SAFELY.

PG-30
47 INCHES

Holds 75 parts
